Kidney and Bladder Trouble.
Mrs. Jackson Hadley, Esopus, N. Y., writes:

"It is with the greatest pleasure I write this. For years I have suffered terribly with kidney and bladder trouble. The pain in my back by spells was so great I could scarcely stand on my feet, and such terrible headaches and pain around my heart, and was so nervous all the time that life seemed a burden to me.

"I paid out a great many dollars, both for doctors and patent medicines, and no benefit only for the time.

"One day, looking through a Peruna almanac, I saw how many had been benefited by using Peruna. I followed directions, and after taking four bottles of Peruna can stand on my feet and work all day with comfort. The pain in my back and head has entirely left me, and I am not so nervous, and can say I am completely cured from all kidney trouble."

Internal Catarrh.
Mrs. M. E. Seymour, R. F. D. 2, Bowman, Georgia, writes:

"I am ready to speak a few words in favor of Peruna and Manalin. I have tried them for nearly every ill of life for myself and family, and find them to be all the doctor claims

them to be. Peruna cured me of internal catarrh when my doctor could not."

Headache and Weak Back.
Mrs. Emma Green, 913 Jason st., Room 7, Denver, Colo., writes:

"Peruna has been a great blessing to me. I suffered agonies with severe headaches and a weak back and could hardly drag myself around.

"A friend who was visiting me was taking Peruna for the same trouble and induced me to try it. I soon found that I was being helped and in less than three weeks I felt like a different woman, and in four months I was well. Peruna certainly gave me strength.

"I consider it an ideal woman's remedy."

Systemic Catarrh.
Mrs. Augusta Pauline Ochs, R. F. D. 2, North English, Iowa, writes:

"I took Peruna over three years. I suffered from systemic catarrh and had pains in my right side so I could hardly do my housework. I am now 56 years old, and am now doing all my housework. I am in the best of health and cannot thank Dr. Hartman enough for his good advice and medicine."

PLACING STONE BLOCKS FOR STREET RAILWAY

The stone blocks for the completion of the roadbed of the Rapid Transit company in the paved districts of the city have arrived, and the J. P. O'Neil Construction company is busily engaged placing them in position. The workmen are in operation on Washington avenue between Twenty-sev-

enth and Twenty-eighth streets, and will continue without interruption until the roadbed, all along the line of the asphalt pavement, shall be laid with the stone blocks.

MAYOR RAY VETOES POOL HALL ORDINANCE

PROVO, April 30.—Mayor W. H. Ray has vetoed the pool and billiard hall regulating ordinance passed by the city council last Monday. In a lengthy communication the mayor holds that the ordinance is too strict in its regulations, particularly in restricting the sale of other articles than cigars, cigarettes and tobacco, and in the matter of publicity, requiring halls to be conducted on ground floors, with glass fronts, un-screened, and entered only by front doors. The mayor is of the opinion that "the effect of this ordinance

would be absolutely prohibitive upon any person desiring to engage in the business affected."

As the ordinance was unanimously passed by all members of the council present at the meeting—all the members except Councilman Bott—it is not likely they will sustain his veto, as they have very good reasons for every requirement made for the management of pool halls.
